A COMMUNITY SCHOOL

Connections

Spring 2017

Trojan Service Day

The Trojans of Evans High School hosted the 3rd annual Trojan Service Day on April 1 from 8 a.m.-1 p.m. During the event more than 400 students, faculty, staff and volunteers dispersed throughout the Pine Hills community to complete community service projects, such as painting, gardening, street clean up and beautification.

EVANS STUDENT SPOTLIGHT: Timothy Only

Our current Senior Class President Timothy Only speaks of his plans for his future, as well as his current plans to better his school and community.

“Anything is possible, if you have the determination to do better than you can,” says Timothy, a passionate and determined individual, hoping to expose these characteristics to others.

Wanting to be a student leader, Timothy resolves his daily activities around this goal. He strives to be involved in his community and student body by participating in a variety of events and programs. In his current role, and also as he transitions into college, he hopes to empower his peers of the challenge that life brings after high school and to be prepared for it.

Aside from Senior Class, Timothy is also involved in Health Ambassadors, serving as Vice President, the National Honor Society, and is also employed by Universal Orlando.

After high school, Timothy plans on attending college where he will double major in educational leadership and law, striving to one day become a Florida State Senator or high school principal.

MEET OUR NEW EVANS COMMUNITY SCHOOL TEAM MEMBERS

Symone Richardson

Parent Resource Coordinator

Symone Richardson is thrilled to join the Evans Community School team as the Parent Resource Coordinator. In her role, she'll help parents stay on track with their child's progress and grades.

Mrs. Richardson is happy to join the Evans team. A Florida native, she was born in Miami and graduated from Florida State University where she studied Family and Child Sciences and Psychology.

MENTORING IN MEDICINE

More than 80 students attended the recent "Mentoring in Medicine" seminar. Hosted with help from Andrew Morrison, the event educated students about health literacy through the use of mobile apps. During the seminar, students learned how to create a mobile app surrounding health topics such as diabetes, heart disease and pet health.

Round of Applause

We thank:

- Pine Hills Seniors for their ongoing support of our food pantry.
- Yelp for their financial contribution to support Hub services
- Pine Hills Neighborhood Improvement District for sponsoring the food and shirts for Trojan Service Day.

EVANS HIGH SCHOOL NEWS

Pizza with a Cop

Derived from *Coffee with a Cop*, *Pizza with a Cop* allows members of the community to interact and share with local police officers. Taking place at Evans High School, the event's goal is to strengthen the relationships between students and law enforcement.

"Seeing the students initial reaction change was enlightening. Many were apprehensive at first, but once they started eating and having casual conversation together, the whole nature changed," said Jarvis Wheeler, community school director.

Did you know?

-The Evans Health and Wellness Center, formerly known as the Wellness Cottage, is now operated by **Orange Blossom Family Health** and is open to the public and students!

-We have more than 230 freshmen students who are matched with a mentor.

-We have provided campus tours to our feeder middle schools to introduce students to high school life and everything that Evans has to offer.
